## WELCOME TO NOOSA, KABI KABI COUNTRY

Our custodians and the traditional owners are the Kabi Kabi people, whose land stretches roughly 100km south and 150km north of Noosa. It is important that we all pay our respects to the traditional owners of this land – past, present and future – and their rich history. Noosa's name comes from the Kabi Kabi word "Noothera" or "Gnuthuru" and means a place of shade.

Noosa has fought long and hard to sustain its environmental assets, providing a spectacular blank canvas to create memorable, unique and awe-inspiring business events. Its world class venues and facilities, quality local produce and professional friendly service make Noosa an exceptional business events destination – and most importantly, has easy access and connectivity.

Its global significance as an UNESCO Biosphere Reserve, World Surfing Reserve and home to one of only two Everglade systems in the world, places Noosa as one of the most sustainable destinations in Australia – one of the key drivers in destination decision making.

Business Events Noosa sits alongside Tourism Noosa and are here to provide independent advice and assistance for all your business events needs. If you need connections with venues, experiences and suppliers; or itinerary and incentive planning assistance, we're here to help you, every step of the way.

This is a place where you can hold a conference for 350 people by day and launch a new product to a crowd of 500 with hatted-cuisine on your own private stretch of beach come sundown. It's saluting the sun from your stand-up paddleboard before hitting the boardroom, or stretching your staff through surf lessons, abseiling, and mountain biking adventures.

**Consider this your invitation to take your Business Events to the next level, Noosa style.**

With your usual four walls replaced by Noosa's natural environment, you'll be feeling bright and free of any corporate shackles. But please ensure you swim between the red and yellow flags on Noosa's patrolled beaches and follow the instructions of Surf Lifesavers.

And just as you don't want to skip a locally-roasted coffee before your first session of the day, don't forget to slip, slop, slap. Always cover up and protect yourself against UV rays. Surf Lifesavers on the beach have a ready supply of sunscreen if required.

# NOOSA'S GREEN SPACES

You spend enough time in the city, so when it comes to inspiring out-of-the-box thinking, look to one of Australia's best managed and preserved destinations.

Distinct from other communities, Noosa's buildings blend into the natural landscape, and roads are not always straight lines, with roundabouts instead of traffic lights. You will notice the harmonious balance between people and nature. Amongst the cocktail bars, fine dining restaurants and boutique shopping there is a continual striving for sustainability and environmental consciousness.

## WORLD SURFING RESERVE

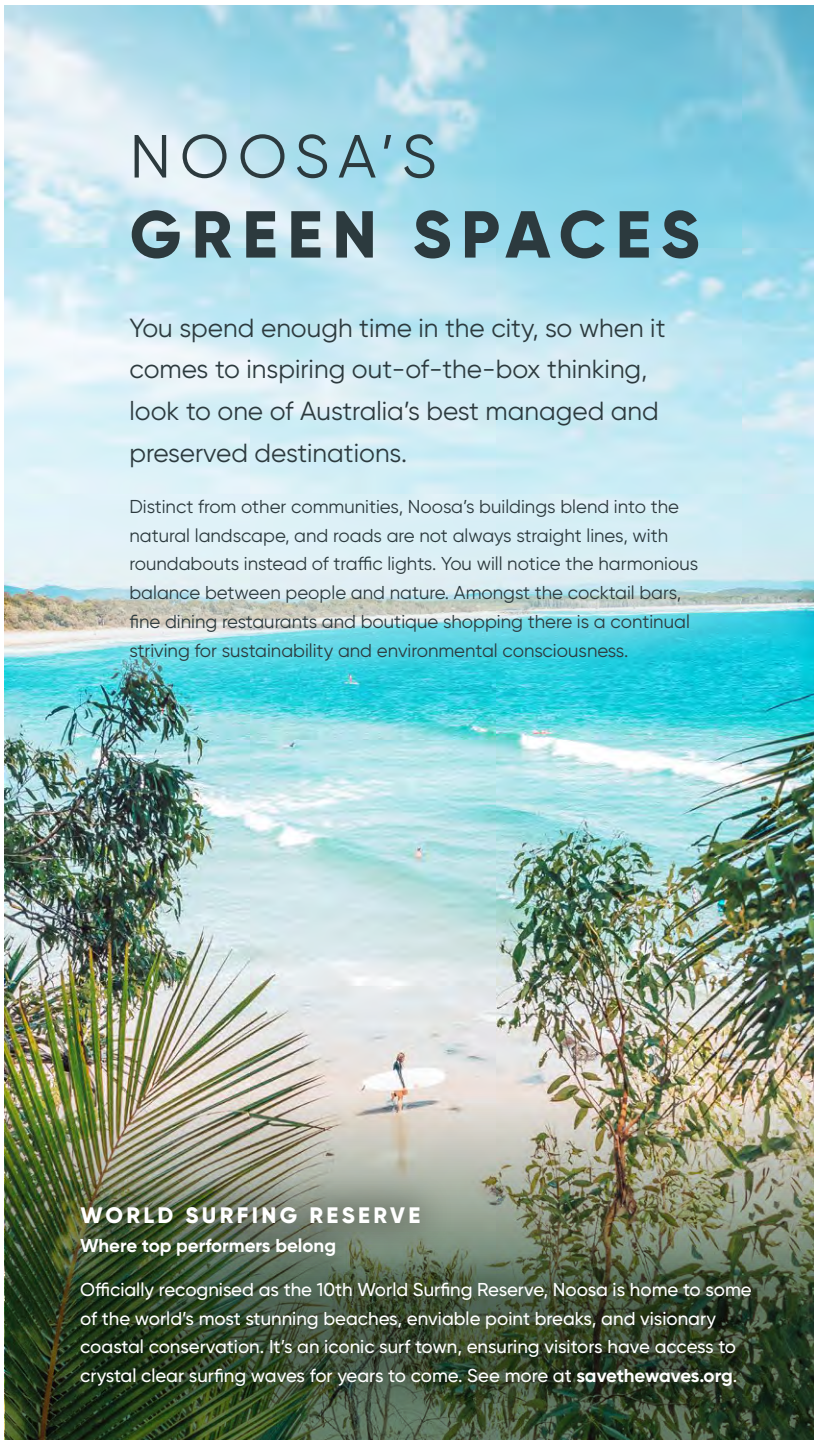

Where top performers belong

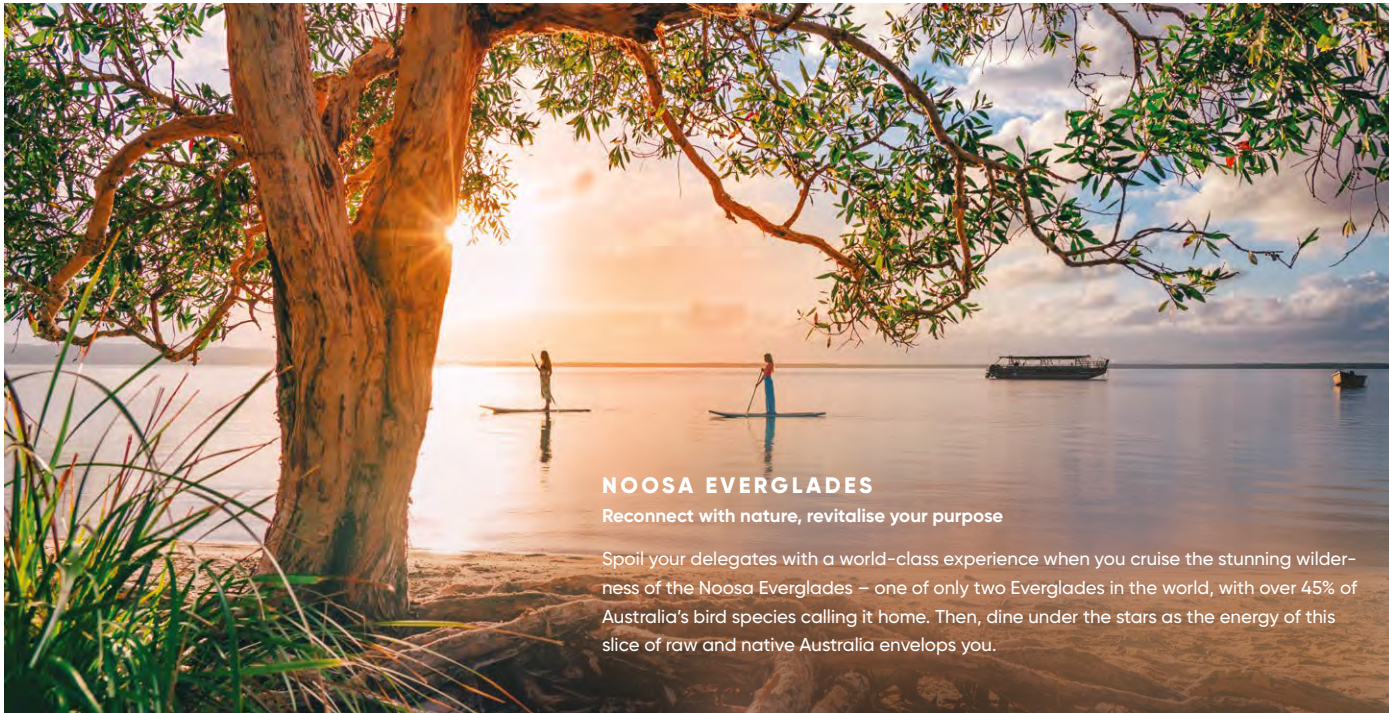

Officially recognised as the 10th World Surfing Reserve, Noosa is home to some of the world's most stunning beaches, enviable point breaks, and visionary coastal conservation. It's an iconic surf town, ensuring visitors have access to crystal clear surfing waves for years to come. See more at [savethewaves.org](http://savethewaves.org).

## NOOSA BIOSPHERE RESERVE

A natural success incubator

Take your conference or business event into Mother Nature's think tank. Noosa has been designated a UNESCO Biosphere Reserve since 2007 – an example of a diverse destination where locals and the natural environment have learned to live harmoniously.

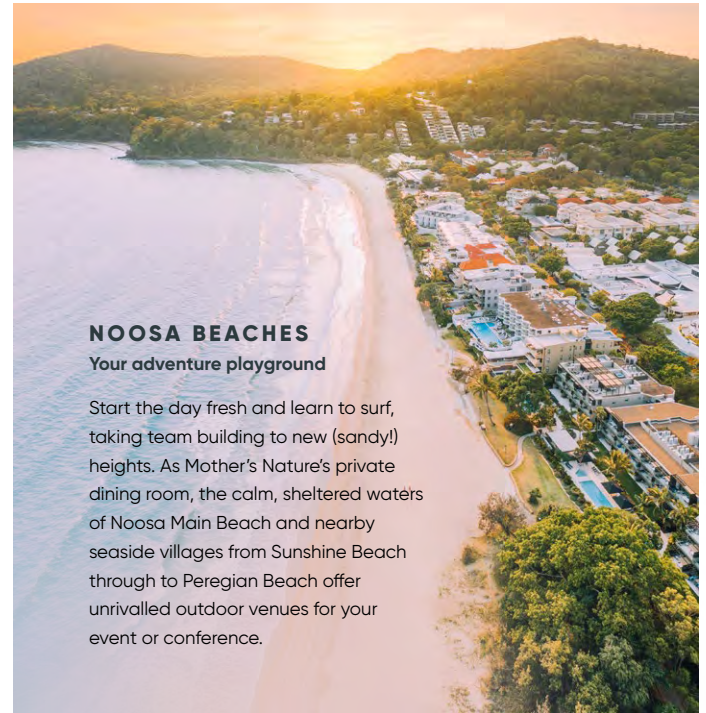

### **NOOSA EVERGLADES**

*Reconnect with nature, revitalise your purpose*

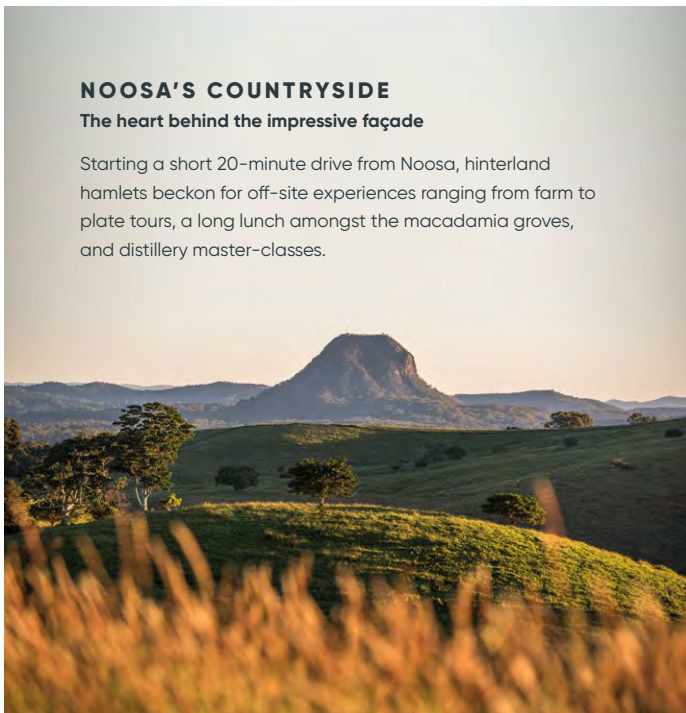

Spoil your delegates with a world-class experience when you cruise the stunning wilderness of the Noosa Everglades – one of only two Everglades in the world, with over 45% of Australia's bird species calling it home. Then, dine under the stars as the energy of this slice of raw and native Australia envelops you.

### **NOOSA BEACHES**

*Your adventure playground*

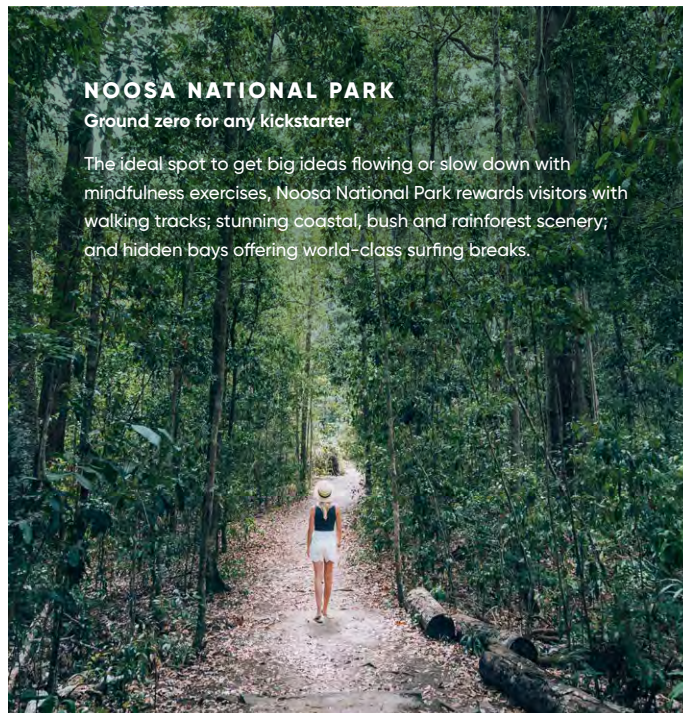

Start the day fresh and learn to surf, taking team building to new (sandy!) heights. As Mother's Nature's private dining room, the calm, sheltered waters of Noosa Main Beach and nearby seaside villages from Sunshine Beach through to Peregian Beach offer unrivalled outdoor venues for your event or conference.

### **NOOSA'S COUNTRYSIDE**

*The heart behind the impressive façade*

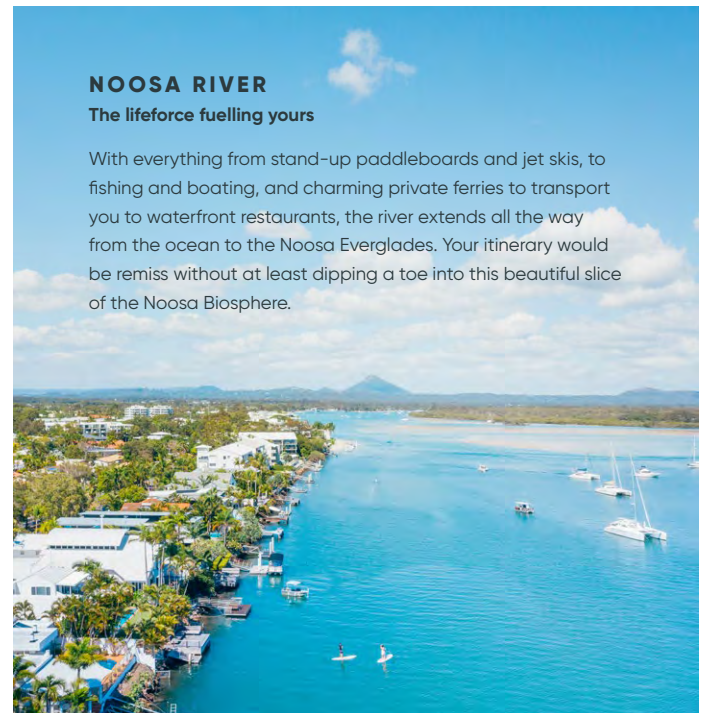

Starting a short 20-minute drive from Noosa, hinterland hamlets beckon for off-site experiences ranging from farm to plate tours, a long lunch amongst the macadamia groves, and distillery master-classes.

### **NOOSA NATIONAL PARK**

*Ground zero for any kickstarter*

The ideal spot to get big ideas flowing or slow down with mindfulness exercises, Noosa National Park rewards visitors with walking tracks; stunning coastal, bush and rainforest scenery; and hidden bays offering world-class surfing breaks.

### **NOOSA RIVER**

*The lifeforce fuelling yours*

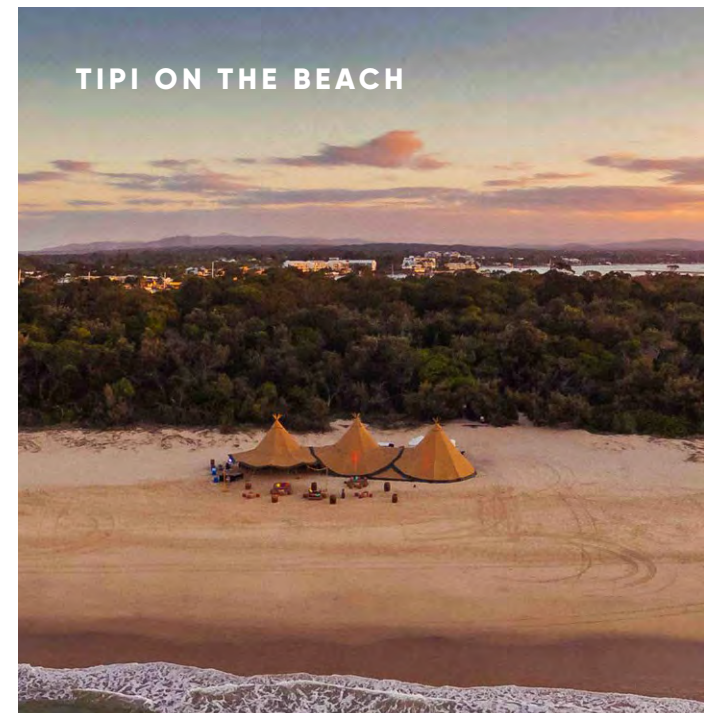

With everything from stand-up paddleboards and jet skis, to fishing and boating, and charming private ferries to transport you to waterfront restaurants, the river extends all the way from the ocean to the Noosa Everglades. Your itinerary would be remiss without at least dipping a toe into this beautiful slice of the Noosa Biosphere.

# BE INSPIRED

Inspiration isn't linear; it comes in many shapes and forms, and only you know what will get your delegates truly fired up. But when it comes to offering a veritable buffet of options for your next business event, across a full spectrum of experiences, we can help.

With so many options it can be overwhelming to organise. Let us step in and weave some itinerary magic with local expertise and connections beyond your wildest expectations.

Of course, we understand it's not all pampering and sipping French champagne with the sand between your toes. Our suggested itineraries help you to marry professional conference spaces for meetings with off-site experiences, with nothing but smooth transitions.

## ITINERARY 1: MOTIVATING NATURE IMMERSION – INCENTIVE EXPERIENCE

### DAY 1

1

#### Morning

##### ADVENTURE RIDE

Blow off those corporate cobwebs with a blast out past Noosa Main Beach on a thrill boat ride – everyone gets a window seat to this water wonderland where you'll want to keep watch for whales, dolphins and turtles.

2

#### Afternoon

##### GREAT BEACH DRIVE BY 4WD

Adventure up the beach 'highway' to Double Island Point and Rainbow Beach during a half-day trip that will help you to escape the daily grind and soak up the beauty of the Noosa Biosphere. You'll enjoy a gourmet picnic lunch served atop the headland with sweeping vistas over rainbow-coloured sand dunes and the crystalline sea below.

3

#### Evening

##### RESTAURANT HOP

Enjoy a casual Noosa Junction restaurant hop and dine where the locals eat. Plan your perfect progressive dinner from high-end plant-centric share plates at Herbert through to woodfired sourdough pizzas at Somedays and Mexican street eats at Paradise Arcade.

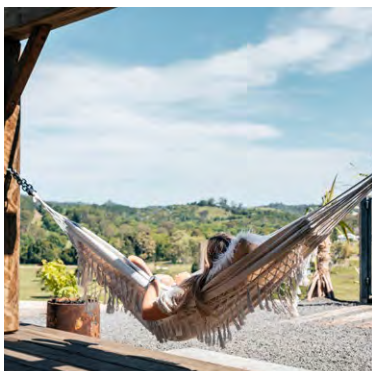

## DAY 2

4

### Morning MOUNTAIN BIKING IN WOOROI

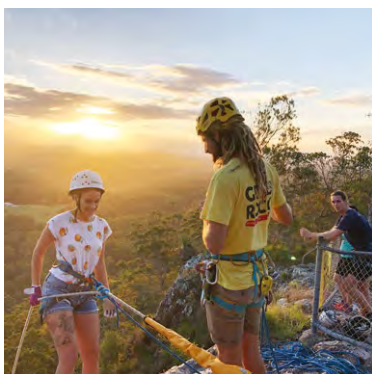

While yesterday was all about the water, this morning you'll need your helmet strapped on for a mountain biking adventure along the 25km of flow tracks known as Wooroi Trails within Tewantin National Park.

5

### Afternoon HINTERLAND LUNCH

Head out to the rolling green hills of the Noosa Hinterland to the rammed earth villa crowning Mayan Farm in Kin Kin. Here, atop 100 acres of a beautiful working farm, your private lunch will be served by Slow Food Noosa advocate and chef, Jodie Williams from Black Ant Gourmet. Larger groups (40-120 guests) may opt to experience her Black Ant Barn at Kin Kin General Store.

6

### Evening SUNSET ABSEIL

Work off lunch with a sunset abseil down Mt Tinbeerwah (max 12 pax). Grab Rock Noosa will literally show you the ropes as you descend the 40-50m cliff face. Reward the team with a glass of bubbles as you cheer your success – and strength – and watch the amazing sunset. (Allow three hours for this experience.)

## DAY 3

7

### Morning ELECTRIC BIKE BEACH RIDE

Meet your guides at Eco Tekk Noosa to discover the picturesque Noosa North Shore for a guided tour on a 'fat wheels' bike – don't worry, they're electric so all fitness levels will appreciate the tour. Cruise along the beachfront and keep watch for whales and dolphins as you pedal.

8

### Afternoon THE RIVER OF MIRRORS

Enjoy a serene cruise through the Noosa Everglades, one of only two Everglades systems in the world. Glide through its subtropical rainforest and unforgettable, reflective waterways – home to over 45% of Australia's bird species. Add on a locally sourced produce lunch at the CootharaBAR & Bistro paired with a 100% natural craft beer brewed at the onsite Eco Brewery.

9

### Evening LUXURY ON THE WATER

Be whisked away on your own private vessel to enjoy a sumptuous seafood dinner on a secret sandbank. Enjoy your favourite cocktail and canapés while you cruise Noosa's waterways before your delegates step off into a spectacularly styled pop-up restaurant (think flowing tablecloths, tropical natives and white parasols).

## ITINERARY 2: 3-DAY CONFERENCE

### DAY 1

1

#### Morning

##### FIND YOUR PERFECT WAVE

Even if you've never held a surfboard in your life, the top notch instructors from one of the local surf schools will have you hanging ten in no time. Paddling onto a wave at Noosa's Main Beach, with the stunning backdrop of Noosa National Park, is a feeling everyone should experience at least once in their lives.

2

#### Afternoon

##### DINE ALFRESCO

Refresh your delegates as only Noosa venue's can with lunch alfresco style. Breathe in fresh air and dine on locally sourced produce with a backdrop of national park, ocean or perhaps poolside. All of Noosa's large conference venue's provide outdoor break options with creative cuisine prepared by well-known chefs and tailored styling.

3

#### Evening

##### RIVERSIDE GOURMET

Catch a private ferry transfer to one of Noosa's hatted waterfront restaurants – like Rickys (max capacity 150 pax sit-down or 250 stand-up) – for dinner. Local produce sings here with a la carte and set menus including the likes of baked Noosa scallops with vadouvan butter, and woodfired Mooloolaba prawns. Much of the produce is sourced from the restaurant's Maravista Farm.

## DAY 2

4

### Morning TAILOR-MADE WELLNESS

Start your day Noosa style with a private yoga and mindfulness session before a round of green smoothies and healthy breakfast treats, sourced locally of course.

5

### Afternoon STRATEGY RETREAT

Split into breakout groups for a relaxed brainstorming or strategy session. Depending on your needs, Noosa venues provide light, bright and airy retreats away from the standard meeting room. Choose a private villa, undercover terrace, bar setting or even a pool cabana with bubbles and oysters to encourage the creative juices.

6

### Evening COCKTAILS AND DREAMS

Freshen up before dinner with a cocktail making class at Miss Money Penny's. You could go straight up and master three cocktails of your choice, or you could have some fun with their expert mixologists and design a cocktails challenge. With the aperitifs well looked after, slide into your exclusive lounge or deck area for snacks or a sumptuous banquet menu.

## DAY 3

7

### Morning NOOSA NATIONAL PARK

Noosa National Park isn't just a stunning pocket of protected sub-tropical rainforest jutting out into the Pacific Ocean but a natural playground filled with walking trails, surf breaks, and snoozing koalas. During a guided morning hike, you'll learn about the native fauna and flora while soaking up the beauty of the bushland.

8

### Afternoon FREE TIME

Noosa is a compact destination, allowing easy access to restaurants, cafés, shops and even a quick dip at the beach. Provide your clients with a few hours of free time to discover hidden gems, local labels or buy the perfect gift to take home. Alternatively delegates can enjoy the resort facilities such as day spa treatments, a few laps of the pool or a gym workout.

9

### Evening BESPOKE GALA EVENT

Celebrate with a themed gala dinner or cocktail party under a clear marquee or giant tipi on a private section of Noosa Beach with festoon lights strung over the sand, cane furniture and a dancefloor where the sound of waves crashing on the beach melds with your band or string quartet.

# VENUE CAPACITY

Travelling for business doesn't have to mean staid and corporate – in Noosa it can feel like a holiday, bedding down in plush five-star resorts, waking beachfront in self-contained apartments or sprawling luxury residences, or doing things differently at a farm stay, eco glamping retreat, or hinterland abode. One thing's for certain though, if you want a resort pool, swim-up bar, and onsite spa, you've got it. Whether you're organising accommodation for five or 500 delegates, there's an option that will not only meet your needs, but become a major incentive for your guests to get on board.
